

ANIMATIC

LION AND GORILLA

ICONIC AND AWARD-WINNING

Armada Content has been delivering excellence to clients of all sizes for 25 years, whether studios, companies, or start-ups. Armada Content is the proud nominee and winner of some of the most prestigious awards in the business. These include a Daytime Emmy, and MTV music award for best video of the year. Their work includes serious projects with HBO, Warner Brothers, Nickelodeon, Jim Henson Productions, Sesame Street, Coca Cola, Chick-fil-A, and more.

ANIMATION

Armada Content's experienced team, ability to produce broad styles, and fully animated work, allows broad versatility for producing the narrative, character, VFX, animation, and motion graphics necessary to bring Lion and Gorilla to life.

The result will provide the marketability and quality necessary for Lion and Gorilla to become the next cutting edge animated series.
